## **Appendices**

If you have additional content that you would like to include in the appendices, please do so here. There is no limit to the length of your appendices, but we are not obliged to read them in their entirety while marking. The main body of your report should contain all essential information, and content in the appendices should be clearly referenced where it's needed elsewhere.

**Appendix A: Example Appendix 1**

**Appendix B: Example Appendix 2**
